Your children are not your children.
They are the sons and daughters of Life's longing for itself.
They come through you, but not from you,
And though they are with you yet they belong not to you
You may give them your love but not your thoughts
For they have their own thoughts.
You may house their bodies but not their souls.
For their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams.
You may strive to be like them, but seek not to make them like you.
For life goes not backward nor tarries with yesterday.

THE DEDICATION

"He was my friend, faithful and just to me."

In our dedication this line is not a eulogy as it was originally intended by William Shakespeare in his tragedy *Julius Caesar*. But ignoring the initial connotations, it is indeed appropriate to one who will always be a symbol of kindness for the students.

His constantly encouraging influence has permeated the atmosphere of our new building, compelling the students to equip themselves to the best of their ability to contribute to a better world.

So, because you are our friend, faithful and just to us, the Junior class has chosen to dedicate the Weather Vane for 1960 to you, Mr. James Henderson, Jr., Headmaster, with best wishes for future happiness in your new position at Blake School.

James Henderson, Jr., Headmaster

Headmaster James Henderson, Jr.

Dear Students;

As you peruse this year's "Weather Vane", you will notice that the theme running through its pages is that of the new building program. In contemplation, I have been struck by the sort of analogies which may be drawn between these buildings and your own lives.

Basically such progress can come only through change; change which has a reason; which is neither cursory nor contrary. Careful planning for the future is necessitated, with serious thought being given to both demands and potential. If one thinks ahead and makes decisions with perspicacity, many costly and troublesome errors can be avoided. No life can be perfect nor can any building; yet organization and a disciplined approach to the structure will help to create a sense of satisfaction and accomplishment which is never possible with hasty, superficial or impulsive judgment.

As an architect, you too must Think Big; search for a fresh approach to old problems; try to put beauty as well as practicality into your lives; don't be afraid of having a bright vision of a large future. Pattern your own reasoning along the clean cut and precise lines of your new structures. True quality is inherent in your creation itself; no false fronts nor tawdry trimmings should be necessary to foster either impressions or appeal. Seek for variety in your life as the architect was doing in his over-all pattern. Continued, long unbroken surfaces are as monotonous and uninspiring as are lives which are similarly lacking in imagination.

Above all, build your lives with purposeful action. No building is stronger than its foundation elements; what is inside the structure dictates its durability and permanency. These are blue print and foundation years; don't allow yourselves to be guilty of shoddy workmanship or the use of inferior materials; build a life which will last and of which you can long be proud.

There comes a time when the builder's job is finished and he must leave to go on to further construction. The future may hold for him projects similar to the one just completed or may present different and varied ones. Whatever the future may bring, he leaves the past with a real regret and yet a surety that the quality of his production will remain. The creation is the item of importance; the creator, only a means to a vital end, who has been privileged to share with many others the joys, rewards and lasting memories of creativity.

SAM

by

Charles Hatfield

"Sam, Sam. Come on!"

Hearing these words, the old yellow dog half-raised his ears and slowly got up. He walked laboriously across the rough plank porch and through the open door into the one room that the cabin boasted. A weathered, white-haired man was bent over the old-fashioned, wood-burning stove, cooking breakfast. He was a tall man with slightly stooped shoulders, whose overalls fitted his gaunt frame loosely. A hard man, beaten by a harder life, he ladled two bowls of mush from a black pot which looked as if it were seldom washed. He was careful to scrape out every bit of the white, coarse mush. He put the larger bowl on the floor, in front of the dog, then laid the other on the rough, heavy wooden table and sat down to eat.

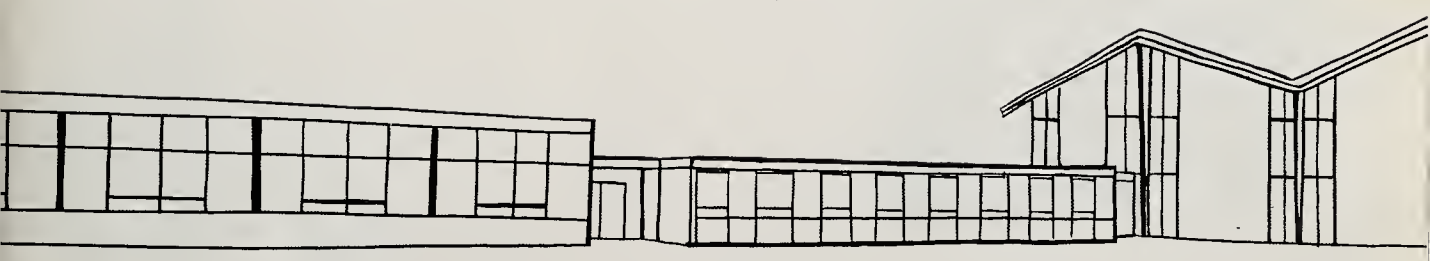
When the meal was done, the man got up and walked out onto the porch where he sat down in an ancient, battered chair. The dog followed him and lay down at his feet. The man reached over and patted him affectionately. He was thinking of a day, seventeen years before, when he had given Ab Moore, the owner of the general store, a peck of potatoes and a coon skin for a small, wiggly, yellow puppy. From that time on, the two had never been separated.

The man glanced around the small clearing in which the cabin lay. The huge cypress trees, their limbs bent by great wreaths of Spanish moss, loomed like gray sentinels, forbidding exit. It was lonely here, but it had not always been so. Once this clearing had rung with children's shouts and this cabin had been filled with life. Then had come the fever; and all that remained was the clearing, and the cabin, and the old, yellow dog.

The man thought of all the good times that he and Sam had had. Together they had gone to hunt coons and to set the traps and to fish in the river. Now it was all the same. He tended a spot of garden, and sometimes he and Sam went for a walk in the woods. On rare occasions, they went to town to buy sugar and coffee at the general store and to sell a few pelts. He seldom spoke to anyone, and he never stopped to play checkers or talk with any of the loafers in front of the store. Most of the time, the old man and the old dog just sat on the porch, waiting.

The man looked down and nudged the dog. It did not move. Although he knew, there was not that icy feeling clutching at his heart as there had been the night his son and wife and daughter had been carried away by the raging fever. The cypress trees still kept their vigil like gray sentinels, but one had escaped.

Faculty



The Administration

Mr. James Henderson, Jr.
Headmaster

Mr. James Henderson, Jr., headmaster, saw his dream of a new upper school building come true the fall of 1959 after five years of leading Maumee Valley. He especially likes "the looks, the space, and the calm" of the new building. When his time permits, Mr. Henderson advises the Student Council activities and the seniors on their college choices. His favorite part of the school day is the morning assembly "because everyone is together in a refreshed state of mind". Mr. Henderson is leaving Maumee Valley next year to assume his new post as headmaster of the Blake School near Minneapolis, Minnesota. He received his Bachelors Degree at Trinity College and his Masters Degree in Education at Boston University.

Mr. Thomas Read, in addition to being Director of Testing, is Chairman of the Science Department and Director of the Summer School. The physics and chemistry instructor advises the junior class, the Science Club, the Chess Club and the Chess Team, coaches the tennis team, and assisted coaching the football team. Mr. Read lauds the efficiency of the new facilities and the quiet study conditions of the new upper school. He earned his Bachelors Degree in Biochemical Sciences from Harvard University, and has done graduate work at Rutgers University and the University of Toledo.

Mr. Thomas Read
Director of Testing

Mr. Adolf C. Nelson
Director of Studies

Mr. Adolf C. Nelson is Director of Studies and an instructor in mathematics. He advises the senior class and the Investment Club. Mr. Nelson most likes the spaciousness of the new upper school. "It eliminates the built-in-bedlam of the wooden school." His favorite time of the school day is his classes. "There's never a dull period," he said. One of the math teacher's typical comments is, "One mistake and you are through." Mr. Nelson received his Bachelors Degree in Education from Milwaukee State Teachers College (now part of the University of Wisconsin), and his Masters Degree from Wayne University.

The Secretaries

Miss Caroline Dickey

Miss Caroline Dickey, the Financial Secretary, has been with Maumee Valley since 1937. She is happy to see the school take another step forward. "For obvious reasons I appreciate the roominess, the light, and view of the new building." Miss Dickey received her Bachelor's Degree at Smith College and has studied at the Katharine Gibbs Secretarial School.

Miss Nan Parfet, came to ary, 1954 and aided Mrs. Ralph Bridgman in the Nursery for the remainder of that year; and from September, 1954, to December, 1959, she was a secretary. Miss Parfet attended Lake Erie College for two years and received her Bachelor's Degree from the University of Arizona.

Miss Nan Parfet

Mrs. Charles Ashley

Mrs. Charles Ashley, the Lower School Secretary and the Alumni Secretary. She said that the old building provides more space for the lower schoolers to move around for special classes. Mrs. Ashley attended Briarcliff Junior College, the University of Michigan, Universite de Genoble, and the University of Toledo.

Mrs. George Calendine

Mrs. George Calendine, secretary in the general office, especially likes the light, roomy offices in the new upper school. She has been at Maumee Valley since August, 1957. Mrs. Calendine attended Zanesville Business School.

Mrs. Karl Brenner

Mrs. Karl Brenner, Secretary to the Headmaster, exclaims, "The light, airy, and cheerful atmosphere of the new building is wonderful!" She is most often seen doing something nice for someone else. Mrs. Brenner attended the University of Toledo.

The English Department

Mr. Arthur B. O'Leary

Mr. Arthur B. O'Leary is chairman of the English Department and instructor of English III and IV. He is also Chairman of the Disciplinary Committee and he exclaims that he most dislikes gum chewing. The English teacher is advisor of the junior class, the Creative Writing Club, and the "Weather Vane." He especially appreciates "the new building's wide halls and relative quiet," and he most enjoys the lunch hour "for the informal conversation at the table." Mr. O'Leary received his Bachelors Degree from Hiram College and his Masters Degree from the University of Toledo.

Mr. Ervin S. Stockwell, instructor of English I and II, came to Maumee Valley the fall of 1959 after teaching for three years at the Gow School in South Wales, New York. The new teacher advises the activities of the freshmen class. He likes the new upper school's light and spaciousness. Mr. Stockwell received his Bachelor's Degree from the University of Massachusetts and his Masters Degree from Boston University. He has done work toward his Doctorate at Washington University.

Mr. Ervin S. Stockwell

Mr. Kenneth Johnson

Mr. Kenneth Johnson, instructor of junior high English and public speaking, has been at Maumee Valley for two years. The school's dramatic department has improved through his efforts, and he began the Maumee Valley Dramatics Club. He also advises the sophomore class. Mr. Johnson lauds the abundance of space, the open feeling, and most likes the faculty lounge of the new upper school. The English instructor received his Bachelors Degree at Bowling Green State University and is now doing graduate work at Bowling Green.

The Language Departments

Mrs. Anthony Baynard

Mrs. Anthony Baynard, Chairman of the Modern Language Department and instructor in French, most enjoys "the morning when I'm teaching because I like the work." Mrs. Baynard, also known as "Madame Baynard", advises the eighth grade and the French Club. The French instructor lauds the space and the private faculconfusion, and the atmosphere is conty offices. "There is also much less ducive to good study habits and good work." Mrs. Baynard received her Bachelors Degree from Capitol University and her Masters Degree from Ohio State University. She earned her "Certificate apres Examen" at Sorbonne, Paris, and has studied at Laval University of Quebec.

Mr. Oliver Campeau, instructor in French, has been at Maumee Valley since 1958, and previously taught for eleven years at the Loomis School in Connecticut. He is one advisor of the senior class, coordinator of all student activities, and advisor of the school newspaper, "The Tomahawk". This French teacher appreciates the quiet of the new building, and most enjoys the few minutes before assembly each morning. Mr. Campeau received his Bachelors Degree from Kenyon College and his Masters Degree from Middlebury College.

Mr. Oliver Campeau

Miss Sarah Albin

Miss Sarah Albin teaches Latin and American History, and advises the sophomore class and the Junior Council of World Affairs. She is the newly-appointed Dean of Girls and is a member of the Disciplinary Committee and the Educational Policy Committee. Miss Albin likes the privacy in the new Upper School and the opportunity to work with individual students more effectively. She earned her Bachelors Degree at Grove City College and her Masters Degree at the University of Michigan. She has also studied at the College of William and Mary.

The History Department

Mr. J. Robert Foglia

Mr. J. Robert Foglia, who joined the Maumee Valley faculty the fall of 1959, teaches American History, Modern European History, and Problems of Democracy. He advises the seventh grade and the Hi-Y Club, a new organization at Maumee Valley. He appreciates the room and light of the new upper school, but he dislikes having only a ten-minute coffee break. Mr. Foglia earned his Bachelors Degree at the University of Pittsburg and has done graduate work there.

Mrs. Dean Burget teaches History 8, Math 7, and is advisor of the seventh grade. She is also Director of Visual Education. The history-math instructor has been at Maumee Valley since 1946. Mrs. Burget most appreciates the spaciousness of the new building. She received her Bachelors Degree in Education from Bowling Green State University, and she has done graduate work at the University of Toledo.

Mrs. Dean Burget

The Smead Librarian

Mrs. Clarence Waldron

Mrs. Clarence Waldron has been Maumee Valley's Smead Librarian since 1939. She lauds the added space of the new upper school and the view into the woods. Litterbugs are Mrs. Waldron's "pet peeve," and she is most often heard saying, "Quiet!" Mrs. Waldron received her Bachelor of Arts Degree from Indiana University and her Bachelor of Science Degree from Columbia University, the School of Library Science.

The Science Department

Mr. Samuel McCoy

Mr. Samuel McCoy instructs biology and physical science and is advisor of the freshman class. He aids Mr. Thomas Read with advising the upper school Science Club, and coaches the track team. If enough students are interested, Mr. McCoy plans to introduce an advanced zoology course next year. He prefers morning to the afternoon of the school day "because I feel best both physically and mentally at that time." Mr. McCoy received his Bachelors Degree from Bowling Green State University and has done graduate work there and at Ohio State University.

Mr. Philip Seker joined the Maumee Valley faculty in the fall of 1959 after teaching at Perrysburg High School four years. He instructs junior high science, is advisor of the junior high Science Club, and coaches football, basketball, and baseball. Mr. Seker lauds the organization of the new building, and he claims his favorite part of the school day is classroom teaching "because it is the most interesting and challenging." Mr. Seker earned both his Bachelors and Masters Degrees from Bowling Green State University.

Mr. Thomas Read

Mr. Philip Seker

The Mathematics Department

Mr. Carl Cahill

Mr. Carl Cahill, Chairman of the Mathematics Department, teaches Algebra, Geometry, and Math IV. "I like morning between 8:30 and 9:00," says Mr. Cahill, "when I get a chance to read my paper." He is an avid New York Yankee fan and always looks forward to spring baseball training. One of his typical classroom remarks is, "Stop amazing yourself." Mr. Cahill received his Bachelors Degree from the University of Massachusetts and his Masters Degree from Brown University.

Mr. Adolf C. Nelson

The Athletic Department

Mr. Lester Grace

Mr. Lester Grace is Director of the Athletic Department and this year coached an undefeated football team and a successful basketball team. Of course, his favorite part of the new school is the spacious gymnasium, the football field, and the new grandstand. And his favorite time of the day is the after-school varsity practice period. Mr. Grace received his Bachelors Degree in Education from Defiance College, and has done graduate work at Ohio State University and Bowling Green State University.

Mrs. Richard Schaefer directs the girls sports program and advises the Cheerleaders. Out of school she is chairman of the Physical Education Section of the Northwestern Ohio Education Association. She especially appreciates the space and cleanliness of the new building and the improved sports facilities. Mrs. Schaefer has her Bachelors Degree in Education from the University of Toledo, and has taken graduate courses at the University of Michigan and Eastern Michigan State University.

Mrs. Richard Schaefer

Mrs. Ora Alleman

Mrs. Ora Alleman assists Mrs. Schaefer with the girls sports as well as directing several lower school sports sessions. When she is teaching in the lower school, she is happy that there are no upper school students wandering through the children's classes. Her favorite quotation is, "If something is worth doing, whether big or small, it's worth doing well or not at all". Mrs. Alleman attended Bowling Green State University where she earned her Bachelors Degree in Education.

In Appreciation

Mrs. Clyde Brown

Until her illness in the fall of 1959, Mrs. Clyde Brown taught in the Maumee Valley lower school for thirteen years. In the classroom she was a qualified and stimulating instructor, and at recess, she was a humble companion. Her innate understanding and compassion for young children was spontaneously and affectionately reciprocated by her many second grade proteges. On behalf of all Maumee Valley, especially the lower school, the Weather Vane extends to you, Mrs. Brown, sincerest thanks in appreciation for your many and faithful services.

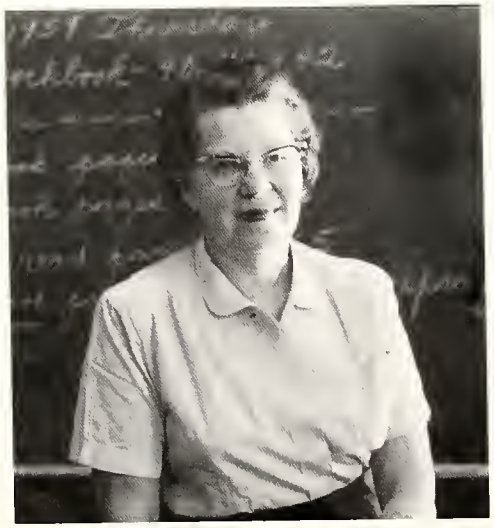
Lower School Faculty

Mr. Albert Getman
Head of Lower School

Mr. Albert Getman is Head of the Lower School and teaches sixth and fifth grade mathematics. He also coaches sixth and fifth grade athletics, and junior high basketball and baseball. The lower school now enjoys use of the entire old building, and Mr. Getman especially appreciates the space and the relaxed atmosphere. His favorite time of the school day is 4:00 P. M., "because I get to wave good-bye to the buses." The lower school head dislikes having to answer a question again after just having answered it. Mr. Getman earned his Bachelor's Degree at Hamilton College and his Master's Degree at Syracuse University.

Mrs. Carl Cahill teaches sixth grade English and is in charge of the fifth grade home room. She, too, likes having the old building solely for the lower school. However, she commented, "I especially enjoy brief visits from upper schoolers—'absence makes the heart grow founder' ". Mrs. Cahill's "pet peeve" is comma splices and her favorite phrase is, "Goodbye, have a nice weekend!" Mrs. Cahill received her Bachelor's Degree from Vassar College and her Master's Degree from the University of Pennsylvania.

Mrs. Carl Cahill



Mrs. James Sweeny

Mrs. James Sweeny, Maumee Valley's fourth grade teacher, has been on the faculty since 1953. She said that her favorite part of the school day is, "sharing time which includes discussing news items and interesting personal experiences. It is during this time that I get to really know my children. We come to understand each other and share our views, feelings, and beliefs." She also appreciates the uncrowded halls in the lower school building. Mrs. Sweeny attended Ohio Wesleyan University and received her Bachelor's Degree in Education from Ohio State University.

Mrs. Charles Johnston

Mrs. Charles Johnston teaches the second grade and she has had past experience at Mount Vernon Elementary School and the Toledo Museum of Art. "My favorite part of the school day," Mrs. Johnston said, "is the quiet time after lunch which is for story telling and the one time I have an attentive class." Her pet peeve is children who say "I can't" before they try. Mrs. Johnston received her Bachelor's Degree in Education from the University of Toledo and has done graduate work at Bowling Green State University.

Mrs. Harry Nehring taught the second grade for the first semester of this year. She also taught at Maumee Valley between 1946 and 1953. Since that time she has substituted frequently in the lower school. Mrs. Nehring received her Kindergarten-Primary Training at the Law Froebel Kindergarten School. She also took courses at DeSalles University and the Toledo Museum of Art.

Mrs. Harry Nehring

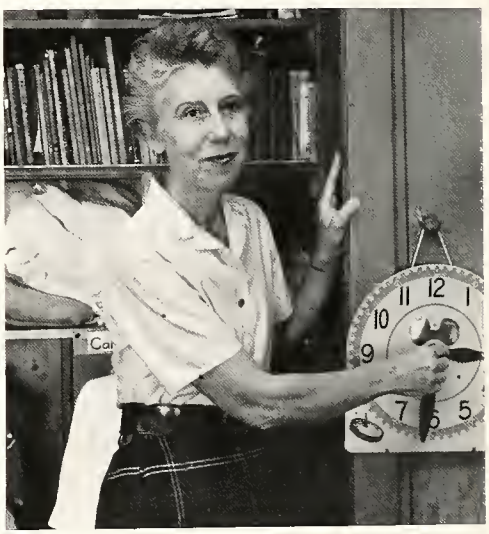
Mrs. Carol Richardson

Mrs. Carol Richardson began teaching the second grade in January, 1960. She previously taught elementary school and the first grade at Perrysburg School. She likes having the entire old building for lower school use because, "there is more room and the children feel like the building is theirs." The second grade teacher most enjoys the reading groups as they work together. Mrs. Richardson attended Bowling Green State University where she received her Bachelor's Degree in Education.

Mrs. C. C. Edelen

Mrs. C. C. Edelen, first grade teacher, has been with Maumee Valley since 1947. She said that this year she most misses Mr. Henderson's and Miss Dickey's infectious laughs. Mrs. Edelen claims there now is less congestion in the halls and more rooms for special subjects for the lower school students. She especially enjoys the first hour of the morning because, "more work is done when everyone is fresh." The first grade instructor attended Monticello College and the University of California, and received both her Bachelors and Masters Degree in Education from the University of Missouri.

Mrs. Ralph Bridgman is Director of the Preschool and teaches Kindergarten. She very much likes having the old building entirely for lower school use. "It is wonderful to teach kindergarten in a room large enough for blocks, bench work, and a circle game all at the same time." Mrs. Bridgman, who is better known by her pupils as "Bridgie", claims that her favorite time of the day is the children's arrival. One of the kindergarten teacher's typical classroom comments is, "Let's do this in your best style." Mrs. Bridgman earned her Bachelors Degree at Barnard College and her Masters Degree at the Teachers College, Columbia.



Mrs. Ralph Bridgman

Mrs. Aaron C. Rathbun

Mrs. Aaron C. Rathbun, kindergartener instructor, joined the Maumee Valley faculty September, 1959. She has previously taught at the Rowe School of Organic Education for one-and a half years. Concerning the extra amount of space for the lower school, Mrs. Rathbun commented, "The lack of traffic congestion offers less frustration and confusion for the children and the extra rooms provide more flexible schedules. Mrs. Aaron prefers her morning work period most because, "I enjoy teaching arts and crafts and watching the children's art expression develop. The kindergarten teacher received her Bachelors at Wells College and has done graduate work at the Art Institute of Chicago.

Mrs. Sydney Taylor

Mrs. Sydney Taylor teaches French in the entire lower school. She is happy that only the lower school is now in the old building. "The traffic in the halls has mercifully shrunk in height so that I can change classes without using a periscope." Her "pet peeve" is fifth and sixth grade boys who feel that French is "pour les oiseaux" Mrs. Taylor, also known as "Madame Asseyez-Vous", received her Bachelor's Degree in French from the University of California.

Mrs. B. A. Morris is Director of Lower School Science Activities, and teaches science in grades one through six. Mrs. Morris appreciates having the old building for lower school use because, "There is no basketball team or rhythm band over my head shaking the ceiling lights, and no dead cat lying half dissected on the lab table." The science teacher received her Bachelors Degree in Physics from Ohio State University and has done graduate work at Bowling Green State University and the University of Toledo.

Mrs. B. A. Morris

Mrs. Charles Browne

Mrs. Charles Browne is Maumee Valley's new Lower School Librarian, and she has had five years previous experience at the Toledo Public Library. During the first semester Mrs. Browne did the cataloging and prepared the library for second semester browsing, reference, and instruction for the lower school students. The librarian said she is happy the lower school now has the Smead Room for its own library. Mrs. Browne attended The University of Toledo.

Miss Alice Erel

Miss Alice Erel is the lower school music instructor and teaches upper school Music Appreciation. She also directs the Girls Chorus, Madrigal, and the Boys Choir. She likes having the entire old building for the lower school as she now has a music room rather than just a section of the stage. Her main objection is "the buses outside my windows on chorus days." Miss Erel attended the New England Conservatory of Music and received her Bachelor's Degree in Music at Boston University.

Mrs. Frederick Hatfield is the lower school art instructor and teaches upper school History of Art. She appreciates the "wide open spaces" the lower school now has, and her favorite part of the school day is the morning, "because things are tidier." The art teacher's favorite saying is "All things dread time but time itself dreads the Pyramids." Mrs. Hatfield attended the Western College for Women and received her Bachelor's Degree from the Chicago Art Institute.

In geography the Sixth Graders choose two children to take an hypothetical trip to the different countries. These children give oral and written reports. They mention places which would be best to visit and mention what to do in each particular place.

STANDING, left to right: Tom Hendrix, Bill Backus, Joey Johnson, Jon Laubenthal.
SITTING, left to right: Pam Kern, Cheryl Thomas, Kathy Greene, Pam Heymann.

Fifth Grade

Each month, five officers are elected by the class. These officers are: a president, who takes charge of the class when the teacher is out of the room and in leading the classes from room to room; a secretary, who takes the attendance and takes care of all the correspondence; a librarian, who is in charge of the library made up of books brought from home.

The other officers are house-keeper who checks the desks and does the dusting; and table head who sits at unattended student tables.

They study American History and give written and oral reports about it. Other activities include the operetta and poetry assemblies in the spring as well as taking a trip to Greenfield Village with the Sixth Grade.

STANDING, left to right: Larry Rice, Mark Kepel, Will Morris, Lee Patton, John Rathbun.
SITTING, left to right: Debby Thompson, Laurie Ross, Lisa Lindsay.

Fourth Grade

The most important activity of the Fourth Graders is collecting news items about different continents and regions of the world. They are able to locate and recognize the continents on a map. They also do some outside reading and then give oral reports.

BOTTOM ROW, left to right: Chris Handwork, Lynn Coen, Lynda Dolgin, Becky Bowers, Johnny Grace, Keith Koegler.

Third Grade

The third graders made peep shows for their favorite stories and, in connection with their studies of the early pioneers, they learned to do simple weaving. One of their greatest accomplishments was learning how to use the dictionary and the school library. The Third Graders are also allowed to use the Book-Mobile.

Along with their many other activities, the Third Graders wrote a Thanksgiving shadow play which they presented at an assembly for the entire Lower School. They also participated in the all Lower School Christmas play.

First Grade

The First Grade class are in their first year of formal education and they attack seriously the problems of learning to read and to work with numbers. In addition, they go with other Lower School classes to the Art Museum once a month. There they learn about painting and sculpture.

The First Graders had science three times a week and learned about dinosaurs and other animals which used to inhabit the earth and about the changes of the seasons. In their French class, which they have four times each week, they spoke French and participated in a French play.

At Christmas time the First Grade presented *Hansel and Gretel,* which has become a tradition of the class.

Kindergarten

The first year of school for many of the children, and the second for those who had attended Nursery Class last year, was very exciting and interesting. They learned to print numbers and letters; they listened to stories and painted pictures.

LEFT TO RIGHT: Judy Getman, Lesley Janis, Carol Beaverson, Carter MacNichol, Patty O'Leary, Jeff Welles, Allan Block.
NOT IN PICTURE: John Block, Jill Evola.

The pre-schoolers dressed in Halloween costumes and treated the Upper School to a parade before taking part in the Lower School assembly. They took walks through the woods and collected leaves. They made Christmas presents for their parents. They made puppets and told stories.

The school year has been a lot of fun but, most important, they have been learning how to get along with other children.

SITTING, left to right: Chip Condon, Tom Handwork, Bill Knight, Dick Homlar, Barb Hargate, Dave Williams, Mary Wright.

Student Council

The main purpose of the Student Council is to promote better student-faculty relations. Among several of the annual projects carried on by the Student Council were: the Student Council Dance in May, The Alston Studio pictures, and the suggestion box. Our Student Council is one of the most active in the area organization, being in charge of the Worthwhile Projects Committee. This committee is responsible for the various community drives. The Student Council has proposed a demerit system to replace all previous means of student discipline.

Tomahawk Staff

The *Tomahawk*, now in its second year under the excellent supervision of its sponsor, Mr. Campeau, provided the school with complete and accurate coverage of this year's activities. The purposes of the *Tomahawk* are twofold: to give the students valuable experience in all aspects of journalism and to furnish the school with definite records of past activities. This year the paper added two new sections: "Chit Chat," by Miss Tomahawk, a society column, and articles on colleges of interest to Seniors. *Tomahawk* Staff members attended two meetings on journalism, one held in Columbus and the second in New York City.

FIRST ROW, left to right: Norma Yourist, Sally Henderson, Chris Knight, Steve Wiener, Dave Roderick, Bill Knight.

Junior Council of World Affairs

This year the Junior Council has been a very active club. The person mainly responsible for making it this way was its president and treasurer for the area organization, Steve Wiener. The main purpose of this club is to enable the member to become more aware of world problems. The typical meeting consists of a short business meeting, followed by a program which may consist of a speaker, movie, or a panel discussing some world problems. In one of the meetings, Miss Albin showed some interesting pictures of the East and Middle East. Also there was a guest speaker who gave a talk on the Bahai religion. Then at the end of the year, the area organization had a meeting at Toledo University with an outstanding program and a guest speaker. The officers are: Vice President Dana Liebenthal, Secretary Nikki Edwards, and Treasurer Betsy Lewis.

French Club

The main purpose of the French Club is to give its members a chance to speak French. Also the students learn about French culture and history. Throughout the year the Club members gave little French skits. At their annual Christmas meeting, they enacted the Nativity scene. Then in the spring the French students had a dinner in which all the courses were made by the students. Also in the spring the French Club had a puppet show, with the puppets speaking French. Once each month a meeting was held in one of the members' homes and refreshments were served. The officers of the Club are: President, Cecile Baynard, Vice President, Dana Liebenthal, Secretary, Nikki Edwards, Treasurer, Sarah Waldron. The advisor is Madame Baynard.

OFFICERS, front row, left to right: Mr. Read, Advisor, Bill Bonser, George Martin, Steve Wiener, President Dave Roderick, Sarah Waldron, Secretary Betsy Loutrel, Vice President Dan Christy, Eric Chipman.

Science Club

The Science Club, under the supervision of its advisor, Mr. Read, and its president, Dave Roderick, had a very active year. Every two weeks it had an interesting and informative program. This year the Club had several outside speakers, including Mr. Lewis Thomas, who spoke about the Magic Barrel. Also several of the students gave programs: Howdy Crosby on optical illusions (magic), Bob Forrest on short wave radios. George Martin made a model and gave a talk on the Dow Process. Films were shown at some meetings, including ones on coral reefs and on astronomy. In February the Science Club sponsored a trip, open to the entire upper school, to see the new Heart and Lung Machine at Mercy Hospital. Several other trips have been planned by the Club which are sure to be interesting and informative.

Investment Club

The Investment Club this year had another successful session. The basic idea of this organization is to promote knowledge of the stock market and investments in general. Also it informs the members of economic conditions. A contest sponsored by this club, and opened to the entire upper school, encouraged the student to invest a certain imaginary sum of ($10,000) in two stocks of his choice. At the end of the year the person with the most money was awarded a prize by the advisor, Mr. Nelson. Among other activities, the members reported on stocks that interested them. Also they sent away for printed matter concerning various aspects of stocks.

Girls' Chorus

The Girls' Chorus this year greatly increased its membership over last year's. The Chorus, directed this year by Miss Alice Erel, sang at both the Thanksgiving and Christmas programs, accompanied by the lower school Choir. A great deal of practice saw the Chorus at its very best. In each of the programs there was a solo by Lyda Smith. Other soloists were Barb Knight and Sue Rolli.

STANDING, left to right: Kelly Golden, Mr. Read, Advisor; Doug Shelton, Eric Chipman, Ashley Fox, John Van Merkensteijn.
SITTING, left to right: Bob Forrest, Pat Brogan, Ralph Chipman, Philip Passen.

Chess Club

The purpose of the Chess Club is to promote interest in the game of chess and to improve the members' playing ability. This year the Chess Club entered the Greater Toledo Chess League which is comprised of thirteen other surrounding schools, Maumee Valley being the smallest. Each week the chess team would play some other school in the league. Good playing was shown by all members, including: Pat Brogan, Kelly Golden, Eric Chipman, Ralph Chipman, Dutch van Merkensteijn, Philip Passen and Doug Shelton. Although the chess team had few wins (3-9-1), the members gained valuable experience and all players returning, hope for better luck next year.

Varsity Cheerleaders

The football and basketball teams owe a lot to the cheerleaders, who were present at most of the games to cheer their teams on to victory. The cheerleaders were present at all except one of the football games (sometimes cheering in the most adverse weather conditions possible) to urge the team to an undefeated season. They then proceeded to cheer the basketball team to a winning year. The cheerleaders did a wonderful job this year, as always, and are readily thanked by the teams.

Left to right: Mary Carson, Ginger Coon, Stephanie Girard.

Freshmen Cheerleaders

The Freshmen cheerleaders in their new light blue uniforms cheered at all of the Junior Varsity home games and at several of the away games. During the annual Maumee Valley basketball tournament the cheerleaders rooted for one of the visiting teams.

Clubs Without Pictures

Hi-Y Club

For the first time Maumee Valley has a Hi-Y Club. The person responsible for bringing this club to Maumee Valley is its president, Chip Chapman, who put a lot of time and effort into establishing this well known club. The purpose of this club is "to create, maintain and extend throughout the home, school and community, high standards of Christian character." Each meeting is begun with a brief devotional given by an elected chaplain. This is followed by a program which may consist of movies, speakers, or group discussions.

There are several Hi-Y clubs across the country, boasting a membership of some 200,000, and Hi-Y is repudiated to be one of the best high school organizations in the country.

The officers are: President, Chip Chapman; Vice President, Bill Bonser, Secretary, Ray Foresman, Treasurer, Tom Handwork and Chaplain, George Martin.

Drama Club

The main purpose of the Drama Club is to inform its members on the various aspects of drama. This year the members helped with the make-up for the One Act Plays and also the All School Play. During an assembly they gave a little skit.

The officers of the Drama Club are: President, Dana Liebenthal, Vice President, Marcia Vallet, Secretary, George Martin, and Treasurer, Tracy Taylor.

Junior High Cheerleaders

The Junior High Cheerleaders, including: Debbie Linsey, Sally Harrison, Vicky Davis, and Terry Gilmore cheered at all the Junior High basketball games except one; and they were instrumental in promoting high spirit among the team.

The Nucleus

THEY SAID IT COULDN'T BE DONE! They said the Mohawks would be lucky to win four or five games this year, but they've done it again—Undefeated for the second straight year.

How did they do it? Well, who knows? It may have been the passing of veteran quarterback Dan Christy, it may have been the blocking of All-League tackle George Martin and star tackle Bill Hasselbach, or it may have been the receiving of All-State selection Dick Homlar. But no, it could have been none of these, for no team can run on the efforts of one player; it must be a *team* effort, and teamwork was the mainstay of our Maumee Valley football team. It was teamwork that brought them through the tense moments and it was teamwork that was responsible for their victories over such arch-rivals as Park School of Indiana and Grosse Point University School of Michigan. Both of these games were not decided until the final gun as were many of the games this exciting football season. But in each case, Maumee Valley miraculously managed to emerge the victor, even when many spectators had lost hope.

A great tribute must certainly, at this time, be allotted to Mr. Lester Grace, Head Football Coach and Athletic Director, and his two able assistants, Mr. Thomas Read and Mr. Phillip Seker, both of whom rendered great service to the team. Since Coach Grace came here three years ago he has compiled the amazing record of twenty-one wins with but two losses, both of these coming in his first year here, but this has only been accomplished by means of great effort on the part of all concerned.

Two strong points of the Mohawk powerhouse were co-captains Dan Christy and Dick Homlar, who together accounted for many of the touchdowns this year. Other Mohawk gridders who will this year close out their football careers at M. V. are tackles Hasselbach and Martin, halfbacks Steve Schwab and Bill Bonser, guard Bill Knight, end Dave Roderick, fullback Steve Wiener, and extra point kicker Ray Foresman.

All of these boys as well as every other member of the team played his part in developing one of the best football teams in the history of the school, and to each we give a most well-deserved CONGRATULATIONS!

Homlar snags a pass in the end zone as Park's Em Davis (45) moves in.

The Maumee Valley football team started the season off right by trouncing Detroit Country Day School by the one sided-score of 30-0.

The first touchdown of the game was scored by the soon to be accredited Dan Christy to Dick Homlar passing duo. Halfback Steve Schwab tallied for the two extra points and the score stood at M. V.—8, D. C. D. S.—0.

In the second quarter, senior fullback Steve Wiener intercepted a Detroit aerial and dashed 25 yards for the second T. D. of the season. Christy and Homlar collaborated to score the extra points and the half ended with the Mohawks leading by a score of 16-0.

In the third quarter junior halfback Larry Haid dazzled the crowd with a spectacular 64 yard run to pay dirt. The final touchdown was scored by Bill Knight and again the two extra points were tallied by Homlar on a pass from Christy.

On September 26, the Mohawk gridders traveled to Jackson-Burgoon where they registered a 26 to 14 triumph in their first San-Wood League encounter. Homlar started off the scoring on a 36 yard pass from quarterback Christy who, one quarter later, racked up the second Mohawk touchdown on a three yard run.

Dave Roderick was the next to score for the M. V. team on a 20 yard pass play, and halfback Haid tallied the third T. D. on a three yard run. Then, in the final quarter the Burgoon footballers got rolling as they scored twice on runs of one and three yards respectively, but this was not enough as the Mohawk gridders rolled to their second victory of the season.

In their second league encounter, the Mohawks took on Green Springs on the home gridiron and managed to score a 12-6 victory. The first half ended in a scoreless tie as both teams struggled vehemently to gain the advantage.

In the second half the Mohawks finally scored on a pass from Christy to Homlar. But early in the fourth quarter, Green Springs stormed back to score on a 7 yard run. Undaunted, the Mohawks kept plugging away at the Green Springs defense and finally managed to score in the fading minutes of the game as quarterback Christy blasted over from one yard out.

On October 10, the Maumee Valley football team journeyed to Grosse Pointe, Michigan to take on Grosse Pointe University School. Grosse Pointe was the first to score, but in the second quarter, the Mohawks Larry Haid tallied on a play set up by a 35 yard pass from quarterback Christy to end Dave Roderick. Christy passed to Homlar for the extra point and it was all tied up at 7-7. For the remainder of the first half and on into the third and fourth quarters the teams battled back and forth until finally, with 1:30 left in the game, the Mohawks scored on the unfailing Christy to Homlar play and the Mohawks emerged victorious for their 12th consecutive win over a two-year span.

The Park Panthers invaded Maumee Valley for the next game and what an exciting one it was! In the first period both teams scored, Park on a pass from Harriss to Sams, and Maumee Valley on the now familiar Christy to Homlar passing duet. The Mohawks, however, succeeded in scoring the two point conversion while Park successfully attempted the one-point conversion. There was no other scoring in these periods and the first half ended with the M. V. squad maintaining a bare one point lead.

Halfback Don Ochs (62) skirts the end against Risingsun. Dave Roderick (70) moves in to block.

Quarterback Christy pilots the Mohawks against Park.

In the third period, the Mohawk gridders future All-State end Dick Homlar caught a pass from Dan "Unitas" Christy and raced into the promised land. But in the fourth period Park tallied two touchdowns and things looked dark for the Reynolds Road team. With less than a minute left to play the Mohawks miraculously managed to score when cool-headed quarterback Christy, on a forth and four situation, sent a desperate pass that reached its destination in the hands of end Roderick who jumped high in the air to net the pigskin in pay-dirt as the Mohawks rolled to their 13th straight victory in two years. However, the Mohawks payed for their win with the loss of star halfback Larry "Rabbit" Haid, who suffered a broken ankle late in the second period which put him out of commission for the rest of the season.

The next team to succumb to the Mohawks onslaught was winless Risingsun who submitted to a crushing 33-0 defeat. Touchdowns were tallied by ends Homlar and Roderick, fullback Weiner, halfback Steve Schwab, and halfback Don Ochs. Extra points were scored by Ray Foresman and Nick Brown, who replaced Haid at the halfback slot. This win assured the Mohawks of at least a tie for the San-Wood Conference championship.

Trying for their seventh win of the season and their 15th straight win in two years, the Mohawks encountered the Whiteford Bobcats on a damp night under the lights and again managed to barely squeeze out a victory, this time by one point.

It was one of the most thrilling victories of the season for the Gracemen as both touchdowns and an extra point were scored by that fabulous Christy-Homlar passing combination, fast becoming a legend at M. V.

Both teams scored in the second quarter each also tallying the extra point, and the halftime score was all tied up at 7-7. Whiteford was the first to tally in the second half as the Bobcats star halfback Bobby Iott blasted over from the one. The Mohawks were unable to score until the fourth quarter when Homlar caught a pass from Christy on the 25 and outraced two defenders down the sidelines for a stupendous 94 yard touchdown play which tied the score at 13-13. Then Christy, calm as ever, bootlegged it around right end for the all important extra point as the M. V. gridders took the lead and kept it for their 7th straight win of the season.

For their last game of the season the Mohawks took on Grand Rapids Pirates on a sloppy field under the lights.

Surprisingly enough, Grand Rapids was the first to score as the Pirates Knollmiller plunged over from the two. The Mohawks passing attack, usually formidable, was greatly hampered by the weather as time and again passes were dropped. But the Reynolds Roaders managed to score before the half as Q-back Christy tallied on a 27 yard run and also scored the two points as the Mohawks left the field with a slim 2 point halftime edge. Fittingly enough, the final Mohawk touchdown was scored by the same two boys which collaborated on the first T. D. of the year against D. C. D. S., who but Dick Homlar and Dan Christy who together accounted for some fourteen touchdowns and numerous extra points during the season. However, the Mohawks football season did not consist of a two man show. It was a team effort and much of the credit goes to Coach Les Grace and his staff for producing such a team. Also, special credit should be given to the Mohawk's fine offensive and defensive lines, sparked by Seniors, "Curly" Bill Hasselbach and George Martin, freshman center Dave "Round-Man" Finkbeiner and senior Bill Knight, all of whom did their job to perfection in spurring the Mohawks to the second legendary undefeated season.

Season Record—10 wins, 2 defeats (not including tournament)

*Overtime

The Maumee Valley Basketball team, behind the skillful coaching of Mr. Lester Grace, accomplished the best record in the school's history this season as they went 10-2 in regular season play and took third in the annual Maumee Valley Invitational Tournament for an overall record of 11-3.

The Mohawk basketballers, paced by the superb playing of seniors Dave Roderick and Dick Homlar, exhibited great teamwork and playing ability throughout the entire season with exciting victories over such arch-rivals as Grosse Pointe (50-42), Detroit Country Day (55-43), and Park School (59-56). Other highlights of the season were a breath-taking overtime victory against Grand Rapids (58-54), a 50-42 victory over the Alumni, and the thrilling performances of Roderick and Homlar who, between them, scored a large portion of the Mohawks points and made the All-Tournament team. Other standouts in the Mohawk lineup were seniors Bill Hasselbach, Steve Wiener, and Co-Captain Dave Williams, and juniors Tom Handwork and Paul Paryski, while high hopes for next season lie in the performances of juniors Bill Belt, Chip Chapman, Larry Haid, and Corky Kern.

In the first game of the 1959-60 cage season the Mohawks trampled a visiting club from Adrian High School. The Mohawk victory, never in doubt, was sparked by the performances of seniors Dick Homlar, high scorer for the night with 26 points, and Dave Roderick, a transfer from Fort Wayne Indiana, who netted 19. The final score was Maumee Valley—68, Adrian J. V.—36.

On December 12, a band of Mohawk cagers journey to Indianapolis to take on an always-tough Park School team. Again the Mohawk cause was sparked by the efforts of Roderick and Homlar who scored 24 and 22 points respectively to lead the Mohawks to a classic 59-56 defeat of the Panthers, the first in several years in basketball.

For the third game of the season, the Mohawks took on and defeated the Alumni. Homlar and Roderick were the high scorers for the varsity while the Alums were paced by the efforts of Dick Bond and Jeff Wright, who each netted 8 points.

The M. V. squad succumbed to Fulton High School in the fourth game of the season by the score of 72-61. The Mohawks, playing without the services of star Dick Homlar, never stopped fighting as 6'3" Dave Roderick poured 28 points through the nets. At the half, the Mohawks led by the score of 26-21, but in the second half, the spirited opponents rallied for a spectular 51 points to win. Paul Paryski hit for 11 points in the Mohawk loss while Bill Belt, Dave Williams, Paul Paryski, and Corky Kern, each tallied four points in a vain attempt to stave off defeat.

The Mohawk squad, eager to avenge the previous weeks defeat, vanquished a visiting Lyons team 65-53. Homlar and Roderick were the big guns for the Mohawk quartet with 26 and 20 points respectively and Paul Paryski tallied 8.

The annual Grosse Pointe-Maumee Valley basketball encounter proved successful for the high-riding Mohawk squad as they rolled to a 50-42 victory. The Reynolds Roaders, by virtue of a 21 point second quarter, led 30-19 at the half and managed to protect this lead to the final buzzer to give the Mohawks their fifth win in six games. Dave Roderick cut the strings for 20 points in this encounter, Homlar had 14, and junior Tom Handwork added 10.

The next day, the M. V. quintet completed their conquest of the three rival private schools (the others being G. P. U. S. and Park) by defeating the Yellow Jackets of Detroit Country Day. The Mohawks, although they won, hit a very cold 24 of 84 field goal attempts. This victory placed the Mohawks as favorites in the annual M. V. Invitational Tournament.

In one of the most exciting games of the year, the Mohawks played the Grand Rapids Pirates, coached by former T. U. great, Joe Kiefer. With about 30 seconds to play in regulation time, Forward Homlar hit a lay-up to tie it up at 54-54 and send it into an overtime. Homlar and Roderick each hit 2 points in the extra period while the Pirates were unable to score as the Mohawks, cool under pressure, moved to their seventh victory in eight outings.

For the ninth game of the season, the Mohawks took on Springfield and won by a score of 48-28. Roderick hit for 17 in this game, while Homlar spread the nets for 14 and Bill Hasselbach tallied seven.

On February 11, the M. V. basketballers travelled to Cleveland where they took on a classy Western Reserve team and fell by a score of 72-43. Assistant Coach Seker did a good job in place of Mr. Grace, who had to be away, but nothing seemed to work for the Mohawks as time and again the enemy broke through to score. Roderick hit for 21 points, high for both squads.

Roderick and Homlar hit for a total of 44 point in the 11th game of the season to help give the team a 66-53 victory over Chesterfield. Handwork, Hasselbach and Paryski, who tallied 11 also sparked the Mohawk attack.

For the last game of the season, the Mohawks demolished the Adrian J. V. 61-49 as the team completed a 10-2 record in regular season play, the best ever accomplished by a Mohawk cage team "Grace-ful in victory".

The M.V. Invitational Tournament

The Sixth Annual Maumee Valley Invitational Tournament was played for the first time in the new Maumee Valley gym. Surprisingly enough, underdog Grosse Pointe Univerity School, from Michigan, emerged victorious in some of the most exciting games of the tournament's history. Three of the four games were won by less than four points in the last few seconds, and the championship game between Grosse Pointe and Park was won by one point, 42-41.

M. V., favorites to win the tournament, drew Park, who they had previously beaten 59-56 in regular season play, for the first night of play, and Grosse Pointe drew Detroit.

The Mohawks, playing without the coaching of Mr. Grace who was unexpectedly taken ill, went into the game full of spirit, but in the first half nothing seemed to work for the Mohawk cagers. In the second half the Mohawks outscored Park 21-19, but it was not quite enough as Park eked out a close 52-50 victory. Dick Homlar tallied 24 points for the Mohawks while Dave Roderick added 17. Grosse Pointe outscored Detroit Country Day 47-44 in the other game.

In the consolation game Maumee Valley downed Detroit 66-51, as Dave Roderick netted 33 points, highest individual score of the year.

Assistant coach Phil Seker did an excellent job filling in for the ailing coach Grace.

J.V.'s Fare Poorly

The junior varsity basketball team was coached this year by Mr. Phil Seker. The team, while only able to win a few games, had some fine prospects for future varsity play. Among them were center Doug Shelton, forward Chip Condon, forward Nick Browne, and guard Bill Johnson. Ashley Fox also turned in some fine playing at the other guard position, scoring many of the teams points. Highlights of the season were a 34-30 win over Grosse Pointe University School and a close 29-27 loss to Adrian.

The Wrestling Team

The wrestling team, very short on manpower, spent most of their time practicing techniques and learning new holds from their coach, Jim Krell, of Toledo University.

In the team's only match with Monroe Central Catholic, the only winner was co-captain George Martin; however, the other boys also did a good job. The team also presented an exhibition match to the school after one of the basketball games. The other co-captain was junior Ted Justen.

Mohawk Baseballers Have A Successful Season

The varsity baseball team was lead to a successful season by co-captains Noel Romanoff and Jack Saalfield and Yankee fan-coach Carl Cahill. The M. V. diamond nine won six games and lost four for one of the best records in years.

The high point of the season was a double-header victory over Park School of Indiana in which pitcher Saalfield clouted five hits driving in four runs and scoring three times.

The highest batting average of the year was .450 sported by Saalfield and the second highest was .333 accomplished by Noel "Tank" Romanoff.

This year the team will be without the services of seniors Romanoff and Saalfield, and outfielders Pete Handwork and Dick Andrews. However, the outlook is bright with at least five returning lettermen, among them catcher Dick Homlar, pitcher Jim Kile, and second baseman Ray Foresman. The team will have a new diamond which should inspire them on to even greater feats for 1960.

Thinclads Perform Admirably

The varsity track team, in only its second year at track, had a comparatively good season winning one meet, placing second in two triangular meets and third in a quadrangular meet.

The Mohawk cindermen, coached by Mr. Samuel McCoy, had several fine individual performers; however, special commendation should go to co-captains Don Malcolm and Chris Finkbeiner for their consistently superior performances. Together they scored a total of some 250 points in eleven meets. This is a feat seldom equaled by any high school performers in the state.

Malcolm was undefeated for two straight years in the 440 yard run with a best time of 53.3 seconds. He also placed consistently in the high jump, discus, shot put, broad jump, and mile relay, of which he was an important part.

Finkbeiner was undefeated in the hundred yard dash this year with a best time of 10.1 seconds, the Class A record for the year. He also had the excellent time of 22.8 seconds in the 220 yard dash, jumped 19'6" in the broad jump, and ran the mile relay.

Other senior standouts were Jim Tushman and Steve Keller, who both turned in excellent performances, and Nick Taylor, John Arnold, Len Phillips, and Steve Hebenstreit.

Even though this year's team will be without the services of these seniors, the outlook is not at all dim with five returning letterman and the addition of a new track.

Netters Are Unsuccessful

The Maumee Valley tennis teams were both unsuccessful, but the experience they gained should hold them in good stead in future years. The team also played some very tough competition in the form of an undefeated Maumee squad and a crack St. Francis squad, not to mention skillful teams from Libbey, DeVilbiss and Ottawa Hills. The teams were coached by Mr. Art Leighton, who did a wonderful job teaching the various members new skills. In co-ed tennis, the team did win some matches. Outstanding male performers were Captain Dave Williams, a consistent winner, Paul Paryski, and Dave Howland. Senior "Ace" Hatfield also did a fine job. Outstanding female performers were Carol Weber, Melinda "Biggs" Bigelow, Barb Hargate, Mary Wright, and Sally Smead.

Junior High Basketball

The junior high basketball team played a long schedule and got few victories, however, the boys gained some valuable experience and learned many new skills. The youthful cagers were coached by Mr. Albert Getman and standouts in the lineup were Ned Taylor, Chris Knight, Dick Browne, Ron Shaefer, Jim Miller, and Fred Douglas.

Junior High Track

The junior high track team, also coached by Mr. McCoy, did a very creditable job in their first big year at track. The team had meets against Grosse Point (20½—21½) and Anthony Wayne (39—43) at which they performed admirably, usually against larger squads. The team had many men who looked like real hopefuls for future varsity participation. Among these were Mike Briley, Phil Moore, and Evan Morgenroth. However, all the boys did a good job, and this years team should be dynamite.

Junior High Baseball

The junior high baseball team played two games this year. Unfortunately, they lost both of them. Nevertheless, the team did well as a whole and had some outstanding individual players. Among these were Jim Saalfield, who actually played some varsity ball also, Corky Leighton, and the two McIntosh brothers, Dan and Jock.

Girls' Sports

Ever since the creation of the two girls' sports teams, there has been a constant battle for the candle. Today the Blue and White teams in each of the girls' sports programs strive hard for the possession of this candle. This year the Blues were under the capable leadership of Captain Barb Hargate and Co-Captain Nancy Gettys, and the Whites were spurred on by their Captain Sarah Waldron and Co-Captain Nikki Edwards.

The results of the Blue-White hockey games are as follows:

Blue	1	White	2
Blue	1	White	4
Blue	1	White	0

The Junior High Blue-White hockey season terminated with these results:

Blue	3	White	1
Blue	3	White	2
Blue	0	White	1

The Varsity Hockey Team had a successful season this year. It scored a 6-0 victory over Ottawa Hills, and it downed Perrysburg 2-0. However, in the last game of the season, the Mohawks were beaten 4-1 by Grosse Pointe. The Junior Varsity lost to Ottawa Hills 3-0,

and they tied Grosse Pointe 1-1. However, they did come out on top to beat Perrysburg 6-0. The Freshman hockey team played Ottawa Hills twice. M.V. won the first game 3-0, but lost the second game 3-1.

This year M.V. was invited up to Kingswood for their hockey playday. Both a Varsity and a Junior Varsity team went, and they were given a chance to play with four other Detroit schools in roundrobin fashion. Those who received special mention for their skill in hockey are Judy Trumbull, Barb Hargate, and Mary Northup.

In basketball (1959) the Whites came out on top winning the first two games with the scores 21-20, 34-20, but the Blues came through in the last game to win 22-18.

The scores of the Junior Varsity Blue-White games are as follows:

Blue	11	White	14
Blue	7	White	20
Blue	15	White	16

The Junior High Blue-White basketball season also resulted in three victories for the Whites. The scores were 22-6, 16-15, 22-17.

In basketball the Junior-Senior team lost to Bowling Green with the score of 24-18, and they were also defeated 20-15 by Ottawa Hills. The Sophomores beat Bowling Green

White Team, FIRST ROW, left to right: Nikki Edwards, co-captain, Sarah Waldron, captain.
SECOND ROW: Sue Johnston, Mimi Myers, Mary Griffing, Lyda Smith, Sally Smead, Molly Taylor, Mary Wright, Cheryl Fine, Marilyn Miller.
THIRD ROW: Carol Homlar, Betsy Lewis, Jan Orians, Carol Dille, Cecile Baynard, Betsy Loutrel, Barb Bohnengel, Tracy Taylor, Jean Blank.

Blue Team, FIRST ROW, left to right: Nancy Gettys, co-captain, Barb Hargate, captain.

THIRD ROW: Sue Ward, Nancy Hewitt, Sue Rolli, Molly Boyd, Judy Trumbull, Barb Bristow, Judy Ward, Bonnie Faulkner, Linda Broer, Ann Dudley.

The volleyball games with Anthony Wayne resulted in four victories for M.V.: M.V. Freshmen 33, A.W. Frosh 19; M.V. Sophomores 31, A.W. 14; M.V. Juniors 29, A.W. 13; M.V. Seniors 29, A.W. 23. The Freshmen, Sophomores, Juniors, and Seniors all played Ottawa Hills. The results of the games respectively are as follows: M.V. 14, O.H. 34; M.V. 28, O.H. 22; M.V. 30, O.H. 26; M.V. 26, O.H. 41. The Seniors lost to Perrysburg 38-18, and the Juniors were defeated 45-18. The M.V. Sophomores trounced their opponents 45-16, but the Freshmen lost by the slim margin of 33-32.

16-13, and they scored a 17-12 victory over O.H. The Freshmen also downed O.H. 12-5. The Varsity team beat Perrysburg 12-10, but both the J.V. and the Varsity lost to Grosse Pointe 24-23, 50-35 respectively.

The Blue-White volleyball season had these results:

Blue	18	White	47
Blue	23	White	22
Blue	17	White	22

The Junior Varsity scores were 43-17, 30-19, and 31-21 all in favor of the Whites. In the Junior High the Blues won the first two games 36-30, and 32-20. However, the Whites made pay dirt in the last game and defeated the Blues 28-22.

White Team, FIRST ROW, left to right: Mary Stranahan, captain, Carol Alter, co-captain.
SECOND ROW: Becky Beres, Terry Thompson, Christy Andrews, Libby White, Marlana Janis, Cathy Wheaton, Mimi Loutrel, Sandy Blackstone, Lucy Ross, Pam Bowland, Sue Paryski.

ARE YOU SATISFIED?

Grownups know that personal grooming is important if you want to "get ahead". Teenagers sometimes forget to look at themselves objectively.

So that boys and girls could see themselves as others see them, a full-length mirror was installed in the main corridor of a high school in Buffalo, N. Y.

Boys checked shirttails and trouser lengths—even started wearing coats and ties. Girls stopped to tuck in blouses or rearrange their hair. Renewed pride came to this school—all because of a mirror!

A mirror is a "must" at school . . . at home . . . anywhere. Always check your appearance before going out. It's a good habit to form and others will notice.

When *you* buy a mirror, be sure it's made of L·O·F *Parallel-O-Plate*® glass, *twin-ground* for truer reflections and more freedom from distortion. You'll find a wide selection at your furniture, glass or department store.

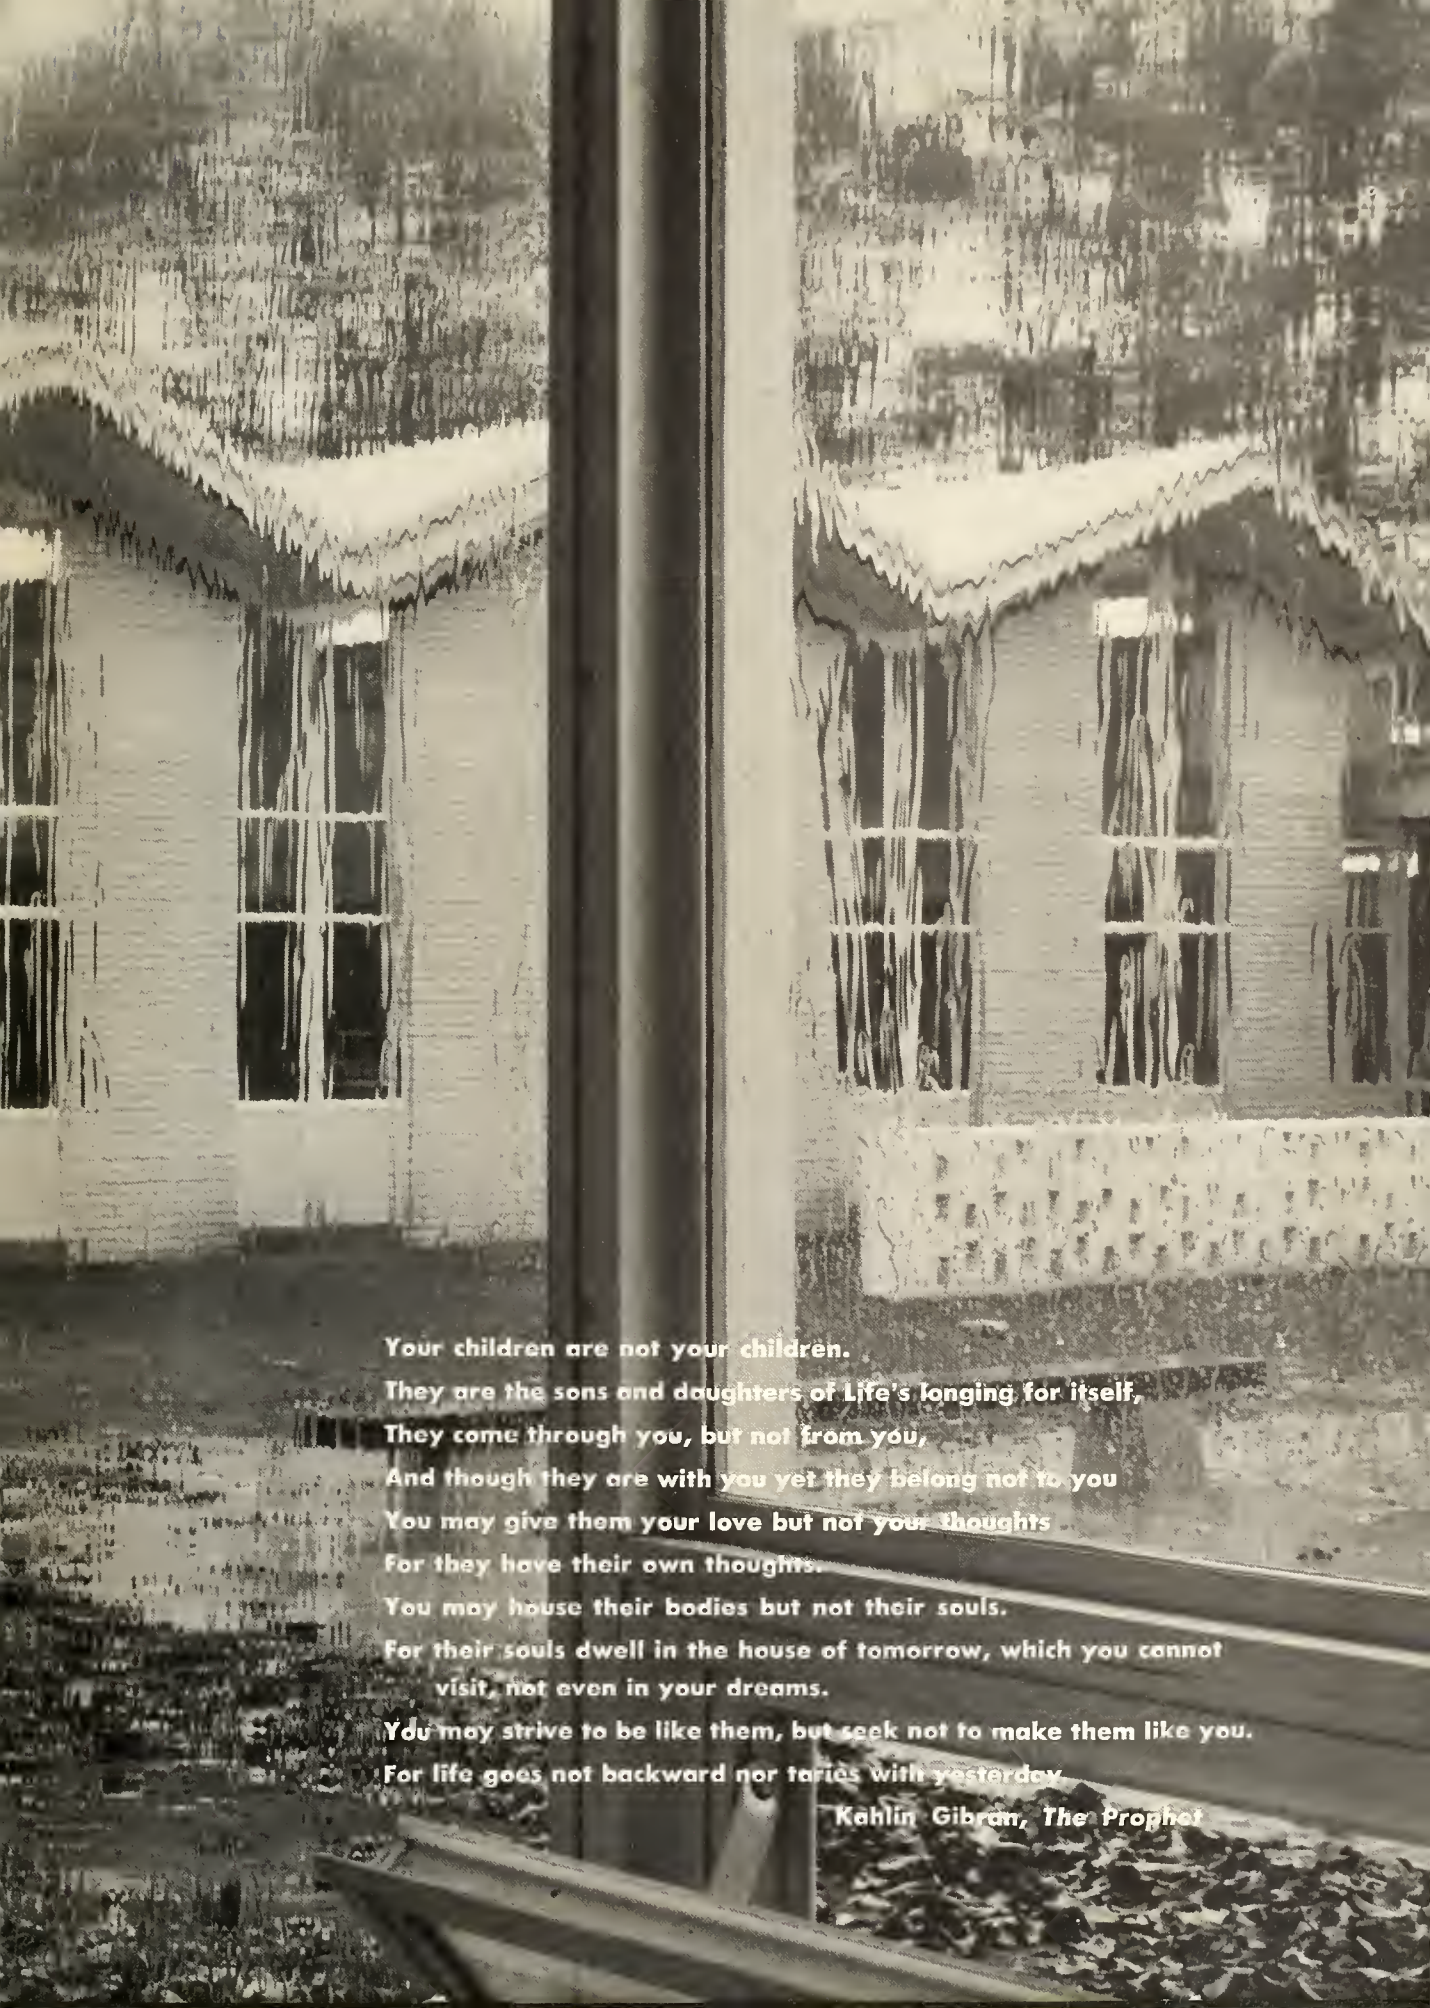
Autographs



Your children are not your children.
They are the sons and daughters of Life's longing for itself,
They come through you, but not from you,
And though they are with you yet they belong not to you
You may give them your love but not your thoughts
For they have their own thoughts.
You may house their bodies but not their souls.
For their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams.
You may strive to be like them, but seek not to make them like you.
For life goes not backward nor tarries with yesterday.

Kahlin Gibran, *The Prophet*
